Report Description

This report presents available information about Compliance, Monitoring and Enforcement information, latest Biennial Report information, Permitting information, and Corrective Action milestones at each facility meeting the criteria. This report may contain enforcement sensitive information.

Within each facility, the information is presented in the following order:

Compliance, Monitoring and Enforcement Information - Presented by evaluation (latest evaluation first). Within the evaluations, violations detected and enforcement action addressing those violations are presented by the earliest date. Enforcements not linked to a violation are printed last, after all evaluations are printed for the facility.

Biennial Report Summary Information (for current reporting cycle only)

Permitting Information - Presented by permit sequence number, permit event code

Corrective Action Milestones - Presented by Corrective Action event code
