Data meeting the criteria you selected follows.

Total Pages: 3

Total Handlers: 1

Report Description

This report lists all facilities that have stopped managing hazardous secondary material under the 2008 Definition of Solid Waste final rule. Data is based on the most recent HSM information for the user-selected period. Under the DSW rule, facilities are required to notify their regulatory authority within 30 days of stopping management of hazardous secondary material.

Actual Tons - Total actual tons of HSM managed during the most recent odd numbered year

Mgmt. Start Date - HSM management start date, as reported on the initial notification

Mgmt. Stop Date - HSM management stop date, as reported on the stop notification
