

Deactivated Legal/Operating Status Code Report

Report run on: October 23, 2009 - 9:24 AM

Version: 5.0

User Selection Criteria

Location: ALABAMA

Universe: Permit Progress

Results

Data meeting the criteria you selected follows.

Total Pages: 2

Total Handlers: 13

Report Description

This report shows current permit unit detail information that has legal/operating status codes that were previously used to calculate the specified universe but were deactivated in RCRAInfo V4. The report shows the handler name, handler ID, unit sequence, unit name, effective date, process code, legal/operating status, and the current value of the specified universe. The report is intended to be used to assist users to change the deactivated legal/operating status to an active legal/operating status combination.
