

# Universe Matrix Report

## Full Enforcement for National

Report run on: January 16, 2012 - 10:26 AM

Version: 5.0

### User Selection Criteria

**Location:** National

**Universe:** Full Enforcement

### Results

Data meeting the criteria you selected follows.

**Total Handler Count:** 2,263

**Total Unit Count:** 7,901

### Report Description

This report shows the number of facilities and number of units for each legal / operating status combination for the user-specified universe. Note: A facility may be counted in more than one legal / operating status combination but units are counted in only one combination. A "0/0" in the report indicates that the legal/operating status is a valid combination for the specified universe, but there are no facilities and/or units with that legal/operating status code. A blank in the report indicates that the legal/operating status is not a valid combination for the specified universe.

### Report Information

Name: p\_univ\_matrix.rdf  
Developed by: EPA Headquarters, Office of Resource Conservation and Recovery  
Deployed: November 2011  
Last Revised: January 2012
