

# GPRA Facilities Not Meeting the Goal

For the GPRA Permit Baseline

Report run on: October 22, 2009 - 2:33 PM

Version: 5.0

## User Selection Criteria

<b>Location:</b> ALABAMA	<b>Group of IDs:</b> None Chosen
<b>Baseline:</b> Permits	<b>Units:</b> All
<b>Handler Name:</b>	
<b>Handler ID:</b>	
<b>Legal Status:</b> All	
<b>Operating Status:</b> All	

## Results

Data meeting the criteria you selected follows.

Total Pages: 3

Total Facilities: 2

## Report Description

This report lists only those facilities which do not have approved controls in place within the specified GPRA baselines. These facilities may have units that do meet the GPRA goal, but for a facility to count as an accomplishment, all units in that baseline must also meet the goal. If the Legal/Operating Status, Date Range, or Units criteria are selected, then only units that match that criteria will be tested to see if they don't meet the goal. The effective date will show the actual date of the OP205 event. If there is no OP205 event, then it will show the actual date of the OP200 event. Finally, if there is no OP200 event, then it will show the effective date of the legal/operating status (Unit). Whichever date is shown will be indicated in parentheses.

The units that do not have an Accomplishment Date have not yet met the goal. A date is placed in the column when the unit has certain legal and operating status codes or if the region stated that the unit has met the goal criteria through an outside verification process. If the verification process is used for a unit, the Accomplishment Date will probably be different than the Effective Date of the legal/operating status codes.

## Report Information

Name: pg\_facility\_notmeet.rdf

Developed by: EPA Headquarters, Office of Resource Conservation and Recovery

Deployed: September 2005

Last Updated: October 2009
